

# 5U, 6U & 8U BASEBALL FIELD SET UP

## Arch/line Reason –

**37ft** – Players must stay behind line until ball is hit

**Throwing Line** – If ball is hit on the pitcher side of the throwing line (3<sup>rd</sup>, short, areas of pitcher, areas of 2<sup>nd</sup>) the ball **MUST** be thrown to 1st. No running the batter down to tag

**Pitch Circle** – Coaches must start to pitch from Circle. Can step over line.

## 10FT Diameter Circle

Player at Pitching Position must have 1 foot inside circle when bat is hit.

## BASE LENGTH

5U & 6U – 55FT

8U – 60 FT
